

Causeway Coast and Glens Heritage Trust (CCGHT) are issuing this opportunity to quote for an activity within the part-EU funded Northword Storytagging project. We require the services of an experienced and creative photographer to work with CCGHT and six local Creative Practitioners (based in Ballycastle, Coleraine, Portrush, Glenarm x 2 and Whitehead) to produce six portfolios between 10-15 photos each for the Creative Practitioner. These will be used by both CCGHT and the Creatives.

The portfolio should showcase the Creative, their craft, processes involved and their products. It may be necessary to carry out location shots for some of the Creatives- locations will be within Causeway Coast & Mid & East Antrim Borough Council areas.

It is anticipated that the photographer will spend 0.5 days with each Creative. The successful applicant is expected to liaise with each Creative to arrange dates for photography.

All photographs must be of the highest resolution. They should be supplied to CCGHT via ie: wetransfer/google drive. **Deadline for delivery of 6 x Creative portfolios is Wednesday 15<sup>th</sup> December 2021.**
